Re: United States v. Dairo Antonio Usuga David
Criminal Docket No. 14-625 (DLI)

Dear Judge Irizarry:

The government writes to provide the Court with a status update regarding the above-referenced matter. As discussed at the last status conference, the government continues to work with the intelligence community to determine the scope of materials that may be subject to discovery and/or proceedings pursuant to the Classified Information Procedures Act. The government's work is ongoing, and it expects to be able to provide a more substantive update regarding the scope of such discovery and/or proceedings at the next status conference, which is currently scheduled for August 2, 2022. The government is, of course, available at the Court's convenience to address any issues or questions that the Court may have in the interim.

Respectfully submitted,

BREON PEACE
United States Attorney
